Time to Talk

Are you at risk for HD?

- Do you suffer from constipation?
- Do you suffer from diarrhea?
- Do you ever have to strain to have a bowel movement?
- Do you perform heavy lifting either at work or during exercise?
- Are you pregnant or have you recently given birth?
- Is your diet lacking fiber (fruits, vegetables, etc.)?
- Have you ever been diagnosed with hemorrhoids?

Do you have HD?

- Have you noticed any bleeding when you have a bowel movement, on the toilet paper, on your stool or in the toilet?
- Do you have frequent burning? Itching? or pain?
- Do you have a feeling of fullness after a bowel movement?
- Do you have soiling of your undergarments?
- Have you ever used an over the counter product such as Preparation H®, Tucks® wipes or pads, or Witch Hazel for irritation?
- Do you have any pain or feeling of pressure during your bowel movements?

If you answered YES to any of the questions above, you may be one of the 10 million people who suffer from hemorrhoids in the United States. There is help available.

Talk with your doctor about Ultroid, the pain-free solution for Hemorrhoidal Disease (HD).
