Summit Doppler Systems, Inc. provides general reimbursement information related to the diagnosis of peripheral arterial disease as an overview for our customers. It is important to understand that reimbursement is a complex process and requirements are subject to change without notice. It is the responsibility of the healthcare provider to determine and submit appropriate codes, charges and modifiers for services that are rendered. Prior to filing any claims, customers are advised to contact their third-party payers for specific coverage, coding and payment information.

Summit Doppler Systems, Inc. makes no promise or guarantee of reimbursement by Medicare or any other third-party payer.
